Director of Industries and Commerce in Mysore,

To

N. Madhava Rao, Esq., B.A., B.L.,
Chief Secretary to the
Government of Mysore,
Bangalore.

SIR,

With reference to your letter No.891/C.R.B. dated 12th September 1927 communicating the orders of Government cancelling the temporary appointment of Mr. S.B. Raman as Store-Keeper of the Government Weaving Factory, I have the honour to state that Mr. S.B. Raman was an employee of the Soap Factory and had put in a continuous service of five years before he was thrown out owing to retrenchment in the Factory.

Mr. Raman thereupon put in a representation to Government, which is enclosed herewith. In forwarding this representation, Government (in their letter No.D.7368/I. & C.90-26-5 dated 5th March 1927) observed that it was a hard case and that they would be glad to have a report as to whether anything can be done for him. In my reply to this enquiry from Government, I reported that the post of Store-Keeper in the Government Weaving Factory was likely to fall vacant, and that I would offer it to him if he should be prepared to offer adequate security. A copy of my letter is enclosed.

In view of Mr. Raman's service in the Department, I submitted a recommendation to the Chief Secretary to Government in my letter No. G.1226/C. dated 23rd May 1927 that he may be given preference over all new candidates in filling up appointments suited to his qualifications. In his letter No.5832/C.R.B. dated 10th June 1927 the Chief Secretary communicated the orders of Government that no

could
general exemption/can be given, but that if Mr. Raman's case was recommended in connection with any specific vancancy Government would consider it on its merits.

4 It was owing to these considerations that Mr. S.B. Raman was appointed temporarily as Store-Keeper in the Weaving Factory. If Government should still consider that he cannot be appointed permanently as Store-Keeper in the Weaving Factory, his temporary appointment, which has now been cancelled, may at least be allowed to continue until a suitable official is permanently appointed through the Central Recruitment Board. I request that early orders of Government may kindly be passed on my representation.

I have the honour to be,

With reference to your letter No. D.7368/1. & C.90-26-5 of the 5th March 1927 calling for a report as to whether anything can be done for S.B. Raman, who has been thrown out of service in the Department on account of retrenchment, I have the honour to state that his case will be considered whenever there is a suitable vacancy. No permanent arrangements were made as is alleged by him in the vacancies referred to in his petition. They were all filled temporarily by hands working in the Department and who were better qualified than S.B. Raman. I may add for the information of Government that there is the likelihood of the post of Store-keeper in the Government Weaving Factory falling vacant permanently and I shall offer him that post if he is prepared to offer adequate security. Benign Sir,

J & C 90-26-4

The most deplorable and miserable plight to which I have been unjustly thrown in, has forced me to make myself bold to approach the benign Government with this, my humble representation, for suitable redress as early as possible:- My prayer for relief seems to be that of parched up grass in summer for water, but Heaven being all merciful heeds it without disregarding and sends forth dewy drops. In the name of that very mercy, I beseach the merciful Government to pity me and afford as much relief as possible.

Please send to Dir for report as to whether anything can be done. Mrs 18.2.27

KR (18.2.27)

WW 18/2

1. I held a post on Rs.35/- as the Store-keeper in the Government Soap Factory, Bangalore, with an allowance of Rs.10/- per mensum.

2. I had put in an approved service of Five Years.

3. I worked during the above period to the satisfaction of my superior officers in various capacities, such as:- Assistant Accountant, Typist, Correspondent and finally as Store-keeper.

4. I was given four months time from 14th December 1925 to pass the Junior Short-hand examination, in view of providing me with a permanent footing in the department of Industries and Commerce, Bangalore.

5. To my surprise, just a month after asking me to get through the examination, I was given a discharge notice all of a sudden when I was equipping myself to get through the next examination. The reason is

said to be that the office was retrenched.

6. Soon after this discharge notice, I represented that my case may kindly be suitably dealth with in accordance with the recruitment rules, as I had by this time put in an approved, continuous and ~~spotless~~ spotless service of Five Years.

7. The recruitment rules required the Head of every office to immediately communicate the names of such officials who were thrown out of service ~~xxxx~~ owing to retrenchment, and who had put in a service of Two Years and more, so that they might be absorbed in the vacancies occured subsequently. My name was not recommended as required about though I had put in Five Years service as stated above.

8. My representation was tossed about from one place to another without benefitting me to the least.

9. Again it is most sorrowful to state that after the date of my discharge notice, the following vacancies occured in the aforesaid office and every one of them was filled up with new recruits and no one was offered to me. These vacancies are as follows:-

1) One permanent clerk on Rs.35/- fell vacant owing to the death of the Manager, in the Office of the Director of Industries and Commerce in Mysore, Bangalore.

2) Two despatching clerks, permanent on Rs.35/- in the Office of the Director of Industries and Commerce in Mysore, Bangalore,

3) Permanent post of Store-keeper on Rs.30/- at Channapatna in the Industrial School,

4) Clerk on Rs.30/- at Channapatna in the above School,

P.T.O.

5) Store-keeper in the Government Weaving Factory, Bangalore, on Rs.45/-,

6) Demonstration clerk on Rs.35/- in the Government Weaving Factory, Bangalore.

10. I have obeyed the orders of my superiors, discharged my duties to their entire satisfaction, inplicitly trusting my future prospects quite safe in their hands. As seen, it is not an account of any fault of mine that injustice has been done to me.

11. In accordance with endorsement No.IC.1020/I&C 67-26-5 dated 12th August 1926 granted to me by - Government, in reply to my representation dated 20th July 1926, I trusted that the Director of Industries and Commerce would consider my case favourably. But the fact proved quite contrary, for, even after the receipt of my representation by the Director, sent by the Government, many vacancies occured in that office and my case was mercilessly ignored for reasons unknown to me.

12. Eleven months have already passed since my services are dispensed with and no definite orders are passed in my case) though it is kept under mere correspondence still.

13. Of the above seven vacancies already mentioned, only afew new recruits have been recently confirmed and afew others are not yet confirmed.

14. Under the above circumstances, I humbly beg with open hands that even now Government may take a little pity on me. In this connection I am obliged to state that Mr. K.H. Ramayya, B.A., Bar-At-Law, Registrar of Co-operative Societies in Mysore, Banga-

Bangalore, is kind enough to extend his generous help in giving me an acting post on Rs.35/- in the Office of the Assistant Registrar of Co-operative Societies, Mysore Division. But this is a very short vacancy and the same will expire by the 20th of this ~~mangk~~ month.

15. I have no property nor do I know any other profession to fall upon, for my living, just at this stage. I kept my trust in serving my Government and I only crave it to give alms to me and to my large family consisting of ten souls with an old old and blind mother of 80 years.

16. The difficulties that cropped up as a result of this unfortunate catastrope, can more be immagined that described in this small representation of mine.

17. Under these circumstances, of the most agonising nature, I humbly beg that orders may kindly be passed for:-

a) A thorough investigation for verifying the above facts ~~fx~~ if necessary,

b) restoring me that place and rank which I would have got if the Department had dealth with my case justly, i.e., the place of the last clerk on Rs.35/- in the Directors' office when seriatum arrangements were made,

c) condoing the period of my absence from service from 1-3-1926.

18. It may not be out of place to mention here, for information of Government, that out of the Four permanent vacancies fell vacant in the department of Industries and Commerce, only two have been filled up permanently and the other two are not yet filled up permanently.

P.T.O.

I believe Generous Sir, that I have represented just sufficient to secure suitable redress, only if Government choose to take pity on me and give suitable redress, for, any amount of representation will be of no avail if it fails to instil sufficient mercy in Government. Hence I most respectfully beg to conclude my representation with a ferment prayer, that, this time it will surely receive prompt and sympathetic consideration at the most merciful hands of the Benign Government of our Beloved His Highness The Maharaja Sri Krishnaraja Wodayar Bahdur, G.C.S.I., G.B.E., of Mysore.

I beg to remain,

SIR,

With reference to your letter No. 5570/CRB of the 11th May 1927 regretting that an exemption cannot be granted to Mr. S. B. Raman from the recruitment rules in order to - - enable his being absorbed in any of the Government offices I have the honor to point out that para 2 of G. O.No. 1483 -1532 CB dated 25th Septr. 1922, would seem to entitle Mr. Raman being given a preference over all new candidates as he has put in a continuous service of 5 years. I have the honor therefore to request that Government may be pleased to direct that this preference over all new candidates including those belonging to backward communities may be shown to him, in filling up appointments suited to his - - -

qualifications.

I have the honor to be,

Respected Sir,

The most deplorable and miserable plight to which I have been unjustly thrown in, has forced me to make myself bold to approach the benign Government with this, my humble representation, for suitable redress as early as possibly:- My prayer for relief seems to be that of parched up grass in summer for water, but Heaven being all merciful heeds it without disregarding and sends - forth dewy drops. In the name of that very mercy, I beseach the merciful Government to pity me and afford as much relief as possible.

1. I held a ~~permanent~~ post on Rs.35/- as the Store-keeper in the Government Soap Factory, Bangalore, with an allowance of Rs.10/- per mensum.

2. I had put in an approved service of Five Years.

3. I worked during the above period to the satisfaction of my superior officers in various capacities such as:- Assistant Accountant, Typist, Correspondent and finally as Store-keeper.

4. I was given four months time from 14th December 1925 to pass the Junior Short-hand examination, in view of providing me with a permanent footing in the depart-ment of Industries and Commerce, Bangalore

5. To my surprise, just a month after asking me to get through the examination, I was given a discharge notice all of a sudden when I was equipping myself to get through the next examination. The reason is said to be that the office was retrenched.

6. Soon after this discharge notice, I represented that my case may kindly be suitably dealth with in accordance with the recruitment rules, as I had by this time put in an approved, continuous and spotless service of Five Years.

7. The recruitment rules required the Head of every office to immediately communicate the names of such officials who were thrown out of service owing to retrenchment, and who had put in a service of two years and more so that ~~their~~ they might be absorbed in the vacancies occured subsequently. My name was not recommended as required about though I had put in Five Years service as stated above.

8. My representation was tossed about from one place to another without benefitting me to the least.

9. Again it is most sorrowful to state that after the date of my discharge notice, the following vacancies - occured in the aforesaid office and every one of them was filled up with new recruits and no one was offered to me. These vacancies are as follows:-

1) One permanent clerk on Rs.35/-, fell vacant owing to the death of the Manager, in the Office of the Director of Industries and Commerce when seriatum arrangements were made,

2) Two despatching clerks, permanent, on Rs.35/- in the Office of the Director of Industries and Commerce in Mysore, Bangalore,

3) Permanent post of Store-keeper on Rs.30/- at Channapatna in the Industrial School,

4) Clerk on Rs.30/- at Channapatna in the above school,

5) Store-keeper in the Government Weaving Factory, on Rs.45/-,

6) Demonstration clerk on Rs.35/- in the Government Weaving Factory, Bangalore.

10. I have obeyed the orders of my superiors, discharged my duties to their entire satisfaction, inplicitly trusting my future prospects quite safe in their hands. As seen, it is not an account of any fault of mine that injustice has been done to me.

11. In accordance with endorsement No.IC.1020/I&C.67-26-5 dated 12th August 1926 granted to me by Government, in reply to my representation dated 20th July 1926, I trusted that the Director of Industries and Commerce would consider my case favourably. But the fact proved quite contrary, for, even after the receipt of my representation by the Director, sent by the Government, many vacancies occured in that - office and my case was mercilessly ignored for reasons - unknown to me.

12. Eleven months have already passed since my services are dispensed with and no definite orders are passed in my case though it is kept under mere correspondence still.

13. Of the above seven vacancies already mentioned, only a few new recruits have been recently confirmed and afew others are not yet confirmed.

14. Under the above circumstances, I humbly beg with open hands that even now Goverment may take a little pity on me. In this connection I am obliged to state that - Mr. K.H. Ramayya, B.A., Bar-At-Law, Registrar of Co-operative Societies in Mysore, Bangalore, is kind enough to extend his generous help in giving me an acting post on Rs.35/- in the Office of the Assistant Registrar of Co-operative Societies, Mysore Division. But this is a very short vacancy and the same will expire by the 15th of this month.

receive prompt and sympathetic consideration at the most merciful hands of the Benign Government of our Beloved His Highness The Maharaja of Mysore.

I beg to remain,

Most Respected Sir,

Your most obedient servant,

15. I have no property nor do I know any other profession to fall upon, for my living, just at this stage. I kept my trust in serving my Government and I only crave it to give alms to me and to my large family consisting of ten souls with an old and blind mother of 80 Years.

16. The difficulties that cropped up as a result of this unfortunate catastrope. can more be immagined than described in this small representation of mine.

17. Under these circumstances, of the most agonising nature, I humbly beg that orders may kindly be passed for:-

a) A thorough investigation for verifying the above facts if necessary,

b) restoring me that place and rank which I would have got if the Department had dealth with my case justly, i.e., the place of the last clerk on Rs.35/- in the - Directors' Office when seriatum arrangements were made,

c) condoing the period of my absence from service from 1-3-1926.

18. It may not be out of place to mention here, for information of Government that out of the Four permanent vacancies fell vacant in the department of Industries and Commerce only two have been filled up permanently and the other two are not yet filled up permanently.

19. I believe Generous Sir, that I have represented just sufficient to secure suitable redress, only if ~~ga~~ Government choose to take pity on me and give suitable redress, for, any amount of representation will be of no avail if it fails to instil sufficient mercy in Government. Hence I most respectfully beg to conclude my representation with a ferment prayer that this time it will surely receive

In continuation of the marginally noted communications to the Director of Industries and Commerce in Mysore, Bangalore, Secretary to Recruitment Board, Chief Secretary to Government, Dewan Sahib and His Highness The Maharajah of Mysore, regarding the injustice caused with regard to my appointment in the Department of Industries and Commerce, I beg to represent that owing to my misfortune, my case has not been mercifully dealt with even though 15 months had been elapsed, from the termination of my appointment.

5. " Dewan Sahib on 15-2-1927.
6. " His Highness The Maharajah of Mysore on 21st May 1927.

Please pardon me, Sir, if I reiterate the history of the injustice with which I met with at the hands of the Industrial Chemist, Government Soap Factory, Bangalore.

I was first appointed as Assistant Accountant on 8th April 1921 and confirmed as Store-Keeper in the Soap Factory on [illegible]35 plus Rs. 10/- per mensem.

a morsel for starvation in these cruel days. I am grateful to him to the last drop of my blood.

In the Co-operative Department, as I have already expressed that the vacancy in which I am appointed is a leave vacancy likely to terminate very shortly. Further, as you know, Sir, the noose of the Recruitment Board is so broadcast that it is crippling up the hands of every departmental head. The haunting apprehension of losing my appointment in this department also has reduced my life and my circumstances are becoming very miserable.

As I am a man sinned against, I appeal to your mercy either to reinstate in my original appointment or if this could not be done, I may be ordered to be absorbed in the Co-operative Department, granting exemption from the operation of the Recruitment Board Rules, for which act of kindness, I shall ever remain in duty bound.

In this connection, I beg to add that the loss of my appointment is due to the conflicting orders of the Industrial Chemist(i.e., Memo No.74 dated 14-12-25 and 1393 dated 27-1-26). And as such, the period of my unemployment has to be counted as the period of duty and my pay for that period may kindly be ordered to be disbursed to me.

An early endorsement may kindly be given to me to lead a peaceful life.

I beg to remain

The Secretary,

Central Recruitment Board,

Public Offices, Bangalore.

Sir,

I beg to represent that I was thrown out of employment in the Co-operative Department with effect from the 19th July 1927. In this connection I beg to represent the following points for orders:-

1. I entered the Department as a temporary clerk in the month of January and Mr. A.V. Puttaswami entered the Department in the month of April. ~~Xxxxx~~ Both are temporary officials. I was first appointed in the lien of Narasimhaswami Naik and subsequently after Puttaswami came, I was given a temporary promotion to Rs.45/- in the lien of H. Subbanna subject to reversion to my former post on Rs.35/- after the certain seriatim arrangements ceased. Even though Puttaswami had come to the Department consequent on the seriatim arrangements proposed, he was continued but I was thrown out without considering the seniority.

2. If it is held that temporary official cannot have a lien on two appointments and what the Registrar had done is right, I point out that C.N. Narasimhaswami Naik, a temporary official, was ordered to have a lien in the Assistant Registrar's office, Mysore and he is acting as a temporary clerk in the Head Office. Is this right?

3. If the 2nd point is considered to be a ~~xxx~~ wrong one, I may be permitted to ask whether it is right to appoint Puttaswami, as a last clerk in the Assistant Registrar's Office in a long timed vacancy without the permission of the Central Recruitment Board. Does mere forwardal of Puttaswam

application from the Dewan Sahib can exempt him from the Recruitment Board Rules?

4. Lastly, when the qualifications prescribed for holding the last vacancies in the Co-operative Department is at least Matriculation, how can Puttaswami, who has passed no examination was appointed?

The Department has neither observed seniority principle nor a merit principle They have unjustly thrown me out of employment. After enquiry, due redress may kindly be given to me.

To

Sir,

I beg to represent that I was appointed as a clerk on Rs.35/- in the Office of the Assistant Registrar of Co-operative Societies, Mysore Division with the Registrar's Office Memo No.2634 C.S. dated 21-12-1926, in the lien of one C.N. Narasimhaswami Naik (Vide copy ~~of the memo is enclosed~~) who is now acting in a higher vacancy elsewhere.

Owing to the Assistant Registrar's No.4127 C.S. dated 15-3-27, I was again given a temporary promotion in the same office, consequent on the seriatim arrangements proposed by him in the vacancy of the Office Head Clerk. A copy of the Assistant Registrar's letter could not be enclosed as the same is with the Registrar. In this letter it is specifically mentioned that I am to act in the higher grade so long as the other higher arrangements would lost. Owing to these temporary arrangements the last place on Rs.35/- in which I was originally acting fell vacant and in consonance with the Assistant Registrar's letter, a fresh candidate was appointed subject to the condition that his stay in the Department would lost so long as I hold a higher vacancy.

Although the Government had passed orders in their No.I.C. 8787-C.S.94-25-3 dated 26th June 1926 that the posts of Head Clerks should be given to the persons of the Department having passed the Accounts Lower Examination and that in filling up of such vacancies only the last place should be advertised, the Department had mistakenly advertised the Head Clerk's vacancy which is against the Government Order. Anyway the new man selected was reported himself

P.T.O.

for duty on the forenoon of the 19th instant.

Leaving these facts to the Orders of Government another mistake that has been committed by the Department is that instead of sending the last man out, I was sent out in contrary to the Assistant Registrar's original recommendation and the Registrar's approval conveyed thereto. If these things were to be considered the Registrar was not shown the full references bearing on this subject. The recent order stating that I had been thrown out of employment, states besides the above, that the department does not recognise the seniority of the officials, and further states that the appointing authority can retain a man or send him out. It is for the Government to understand the logic of the statement.

Although the last clerk temporarily chosen owing to the arrangements made in the office had not passed any one of the examinations not even Lower Secondary examination, was made to continue simply because he had been recommended by the Dewan Sahib. If on recommendations the places of the existing clerks were to be snatched away like this and given to the persons highly connected by the official mechnaism of shifting of the liens at the sweet will and pleasure of appoining authorities, it is for the Benigh Government to think as to why should there be such a code as Mysore Service Regulation.

In spite of the fact that the Assistant Registrar has definitely pointed out my seniority by giving the history of services of mine as well as the last clerk, the Department is persistant in sending me home. The reason is not known.

As regards my work in the department ever since I joined the Department, I worked in the Assistant Registrar's office Mysore Division and he had made several communications to the

P.T.O.

to the Registrar regarding the efficiency of my work. X They may be perused.

If the efficiency of work as well as the seniority of my service is set aside for the sake of recommendation, it is not known how the service can be relaid on.

Owing to these adverse orders my service was broken and I am thrown out of employment once again in this department also.

Early orders may kindly be passed for the restoration of my appointment, however temporary it may be on the principle of justice and my pay for the period of unemployment may kindly be ordered to be given to me.
